6 yr old gray mare out of Go Man Go and Rocket Wrangler. She is super fast and eager to please. She is started on barrels and poles running 2D times, we have also started her in the box on the head side. She needs someone who has the time to season her. \$6500 OBO

16 yr old bay gelding used in goat tying and break away. He could be a kids horse to even a beginning roper. I have roped some 3's on him but need a faster horse for college. Rocky is a great horse and I hate to sell him, he is priced cheap at \$3000.

Both horses need a new home and someone to love and use them. I started my first year in college and cannot afford a bunch of horses. You won't be disappointed with either one of these horses. Call and come try.

Thanks, Miranda Berlin

Casey is a 23 yr old gelding, he acts like he's 15. He is registered to Top Moon. Automatic on barrels and poles, great health, kid gentle, and fun to ride. \$3500

Please contact Troy Cook 432-559-3299 or KJ Hukill 432-559-8108

For sale. 2005 sorrel mare. has had over a years worth of cutting training. This mare is just too hot for cutting. Will look at a cow and has been started on barrels. Has Doc's Hickory, Freckles Playboy, Doc Bar, and Doc Tom Tucker all on papers. Asking \$5500. FMI contact: K.J. Hukill (432) 559-8108

Nicks Dash- stands 15.3H, and is a pretty bay and white tobiano. He has **Dash For Cash**, **Lady Bug's Moon**, **Raise Your Glass**, and more right ON his papers! Others in his pedigree include **Easy Jet**, **Azure Te**, **Mr. Bar None**, and **Hempen**. This young gelding is race bred top and bottom and an own son of **JJ Jet** producer of foals with winnings over \$50,000, and a grandson of **Raise A Winner** Sire of ROM Race, Superior Race, Performance Point Earners, Barrel Racing ROM and \$ earners of over \$279,135, also a grandson of **On The Dash** stakes producing sire with get of \$484,888. This horse has tons of black type in his pedigree, is bred to fly and will look good doing it with all his color. He is currently running 2-d and 3-d times. Nick ran in the top 10 novice horses for the TexMex standings in the 1-d Novice Class with some really tough horses last year. He won the 1-d Buckle series also.... He is ready to be seasoned to some rodeos but I've got too many to ride right now and he has been taking a back seat to my others. Anybody can ride him, he's safe and sure footed. I'd like 8500 but all offers will be considered.
