

STOP TEXAS PREMISES AND IDENTIFICATION PROGRAM

Stop the Texas Premises and Identification Program

We, the undersigned, vigorously oppose ANY regulations set forth by the Texas Animal Health Commission (TAHC) regarding Texas HB 1361 and request that any rulings regarding Texas HB 1361 be tabled indefinitely. The proposed regulations under the TAHC are highly flawed and will do nothing to protect the health and welfare of Texas citizens. Instead, the Texas Premises and Identification Program and legislation supporting it will impose unbearable economic hardship and record-keeping requirements on small farmers, backyard flock owners, individuals raising/participating in the exhibition poultry fancy, amateur horse enthusiasts, and sustainable farmers, and unreasonably increase the cost of food in this state.
